"JobsInOrtho provided a clear and updated platform to connect to orthopedic practices of all types with job opportunities. No middlemen involved. I am grateful to the platform to helping me land my first job out of fellowship."

Derek Ju, MD
Spine Fellowship, Rothman Orthopaedic Institute
Orthopaedic Residency, Cedars-Sinai Medical Center
M.D., Johns Hopkins University School of Medicine
B.S., Massachusetts Institute of Technology

"JobsInOrtho helped us target academic-minded candidates for several hard to recruit positions. We are grateful for the exposure this platform gives us to reach both newly graduated orthopaedists, experienced academicians, and specialized staff."

Phillip Clark
Associate Chair of Administration
University of North Carolina

"No other job platform in the United States has the visibility of JIO across orthopedic residents, fellows, and practicing surgeons. We successfully hired high-quality surgeons using JIO this year."

Kathy Platt
Spire Orthopedic Partners

"JobsInOrtho is a fantastic resource to connect health systems and private practices with individuals looking for a new career opportunity. Residents and fellows love it! It's easy to use with filters by specialty, location, or type of practice. JobsInOrtho a "must-use" platform for trainees and for practices!"

Cynthia L. Emory, MD, MBA
Professor and Vice Chair
Department of Orthopaedic Surgery and Rehabilitation
Wake Forest School of Medicine

"The JIO platform changed the game for us, the quality and quantity of candidates has been fantastic. We used JIO to successfully hire positions that were extremely challenging to recruit!"

Judy Jeffries
